The Texas Legacy Festival will be held April 12th and 13th; it will be celebrating the 200th Anniversary of the 1st Republic of Texas. We are celebrating the beginning dream of Texas, the idea that this first republic fought for by a combination of various cultures (African, Hispanic, Native American and European descent). They won the first Republic but lost it when the cultures fought divided in the Battle of Medina (the bloodiest battle in Texas history). At this celebration we will thus have representations in dance, music, and food from each culture including: Aztec Dancers, Mayan Dancers, African American Buffalo Soldiers, the Texas Army, and Ballet Folklórico. We have several local museums contributing a kids corner for hands on pioneer activities and games.
